Stewardship Report Given by Mayor At Unity Party Meeting

Doxsee, Glacken and Baker Ready to Serve Again if Desired

Mayor Robert L. Doxsee reported on the activities of the Village Board since the start of the fiscal year in April at a meeting of the Unity Party in Exempt Firemen's Hall, Saturday afternoon. President George A. Newton, M.D., in opening the meeting, declared conditions today demanded "that we do the best we can for our government," and added, "that's what we're trying to do."

Mayor Doxsee declared Government was everybody's business and the most important business in the world today is "our country's business." He referred to the fact that at the close of the fiscal year 1949-50 the village showed a \$50,000 surplus, half of which was used to pay off undue capital notes, and the other half to provide new automobiles for the Police Department, equipment for the Highway Department, repair fire houses and reduce the tax rate for this year. He said indications were that the Board would be able to report another substantial balance at the close of the present year.

Ready to Serve Again
Speaking for himself and Trustees William F. Glacken and Seward J. Baker, whose terms of office will expire on April 1, he said "we've tried to do our best. If you want us to serve another term we're willing to do so. If not, that will be all right too." The Mayor referred to the great amount of time members of the Board must devote to carrying out the affairs of the village and added there were extra curricular activities too.

Mr. Doxsee said the present administration, due to conditions, had not attempted to do anything new, but had carried through to completion the parking field and sewer projects inaugurated by former Mayor Cyril C. Ryan and his associates. He referred to conditions in the Powerhouse where growth of Freeport has made it necessary to do something to provide extra generation.

Mayor Robert L. Doxsee Goes on the Air

Mayor Robert L. Doxsee joined commentator Pat Barnes and his daughter, Barbara, in a recent broadcast over WJZ. Mayor Doxsee was interviewed as part of a weekly series saluting communities neighboring New York. The program emanated from the Barnes Table at Cavanagh's restaurant in Manhattan.

Want Village Men Paid For Overtime During Storm

The Southwest Civic Association at its monthly meeting in Exempt Firemen's Hall Monday night adopted a resolution requesting the Village Board to give overtime pay to municipal employees who worked as many hours to restore electric power and other service following the storm of Saturday, Nov. 25. These included members of the Light Distribution Department, the Highway Department and the Sanitation Department.

Surrogate Leone D. Howill gave one of his characteristic talks on the world situation today that was enjoyed by the members. He was introduced by President William Allyn.

Arthur Humphries, Anthony Pappas, P. J. Lazzara, Mrs. Louise Shultz and John H. Travers, Jr., were received as members.

Announcement was made Civil Defense would be discussed at the January meeting and that Richard A. Hungerford, chief air raid warden would be the speaker.

CATHERINE McSWEENEY WINS CORTLAND HONORS

Cortland, N.Y., Dec. 14—Catherine B. McSweeney, daughter of Mr. and Mrs. Bernard J. McSweeney, 34 Wallace St., has been elected vice-president of the Freshman class at the Cortland State Teachers College. She also is captain of the freshman basketball and hockey teams.

Miss McSweeney was graduated from the Bishop McDonnell Memorial High School in Brooklyn, N.Y.

ALWAYS PUT FIRST THINGS FIRST AND

1. Try to get shielded
If you have time, get down in a basement or subway. Should you unexpectedly be caught out-of-doors, seek shelter alongside a building, or jump in any handy ditch or gutter.
2. Drop flat on ground or floor
To keep from being tossed about and to lessen the chances of being struck by falling and flying objects, flatten out at the base of a wall, or at the bottom of a bank.
3. Bury your face in your arms
When you drop flat, hide your eyes in the crook of your elbow. That will protect your face from flash burns, prevent temporary blindness and keep flying objects out of your eyes.
4. Don't rush outside right after a bombing
After an air burst, wait a few minutes, then go help to fight fires. After other kinds of bursts wait at least 1 hour to give lingering radiation time to die down.
5. Don't take chances with food or water in open containers
To prevent radioactive poisoning or disease, select your food and water with care. When there is reason to believe they may be contaminated, stick to canned and bottled things if possible.
6. Don't start rumors
In the hours that follow a bombing, a single rumor might touch off a panic that could cost your life.

Contracts Awarded For Construction of Bayview Ave. School

Modifications Made To Keep Within Cost; Citizens Meet Board

The four general contracts for the new Bayview ave. school were awarded at a meeting of the Board of Education held Wednesday night, Dec. 6. They are as follows: General construction, Jonwall Construction Co., Inc., \$895,944; heating and ventilating, Central Heating & Plumbing, Inc., \$14,738; plumbing and sanitary, John Boyd Plumbing & Heating Co., Inc., \$57,495; and electric, Bank Electric Co., \$80,520.

To keep within the \$1,300,000 appropriated for the structure by the residents of the school district it was necessary to make certain deductions and temporarily eliminate some features originally planned for the school and yet provide 28 classrooms, gymnasium, auditorium and cafeteria. These can be restored later after a vote has been taken on a bond issue to meet the additional cost, now estimated at \$200,000, but the members of the Board felt that to reject the bids at this time would result in adding greatly to the cost of the project and decided to take what appeared the best course of action.

The situation was explained to the members of the Citizens Committee at a meeting last night.

Bay Estates Area Zoned To Allow for Yacht Club

The Village Board has voted to zone the Bay Estates area, located on the north side of Hempstead to be included within the village limits so as to permit the Nassau Yacht Club of Freeport to build a clubhouse on East Bedell St.

This has been done by designating 600 feet on both the north and south sides of East Bedell St., westward from the waterfront as Business A, while the rest of the area has been placed in a Residence A zone.

"When the matter was up for a hearing, Julius Jawitz, the chairman, appealed for this action. He said the club members wanted to locate in Freeport and pointed out that the name chosen was The Nassau Yacht Club of Freeport. Some opposition was voiced at the hearing, but many of the speakers backed Mr. Jawitz.

The Board also voted to rezone two parcels of land at the northeast corner of Bedell and South Main St., from Residence A to Business A.

WILL ROGERS MEMORIAL GREETING CARDS AT PLAZA

The amusement industry is campaigning for signatures to a huge Christmas Greeting Card to be sent to the Will Rogers Memorial Hospital at Saranac Lake, New York, where it will be placed on the big tree in the main lounge to bring cheer to the patients. Motion picture theatres particularly are spearheading the drive, and in Freeport, Thomas di Lorenzo, manager of the Plaza, and a member of Tent 35, Variety Club, has cards which can be signed by anyone wishing to join in the sending of greetings.

7TH GRADE ORCHESTRA MAKES DEBUT FOR P-T-A

The Seventh Grade Orchestra made its debut at a meeting of the P-T-A at the meeting of the Seventh and Eighth Grades division of the Freeport High Junior-Senior School Parent Teacher Association in the Grove St. school auditorium Monday night. Eight grade pupils constituted the cast of an American Theatre Wing play, "The Ins and Outs." Mrs. Nathaniel Robinson, a member of the Mental Hygiene committee, led a discussion.

TUTTILS TO BE SEATED AS HIS 'N' HER CLUB HEADS

Mr. and Mrs. Winston P. Tuttils will be installed as president couple of the His 'N' Her Club of the Freeport Methodist Church at the monthly meeting tonight in the social hall of the church. Other officers to be seated are Mr. and Mrs. Frank E. Burkett, vice-presidents; Mr. and Mrs. Theodore A. Tarnau, secretaries, and Mr. and Mrs. Fred S. Horgan, assistants.

A Christmas program will be provided by the entertainment committee headed by Mr. and Mrs. Robert F. Zachary.

Community Council Plans Party for Senior Citizens

A holiday party for the Senior Citizens Recreation Group will be given by the Freeport Community Council in the Legion Dugout, Tuesday at 1 P.M. Mrs. L. S. Yudin and Mrs. Philip Bloom have planned a varied program of entertainment for the group.

A group of Freeport Girl Scouts will entertain with traditional Christmas airs and Mrs. Lester Baumann, soloist of Temple B'nai Israel will sing some of the traditional Chanukah songs. Games will be played, a grab-bag will contain gifts for all and a collation will be served.

Contracts Awarded

contracts, it was necessary to make certain deductions under the alterations by way of change orders." Leo F. Giblin, president of the Board of Education, said today. "In order to erect the building and complete it as originally planned, it will be necessary for the Board to raise an additional sum of approximately \$200,000. The building as planned will have 23 classrooms, auditorium, gymnasium and other features originally voted.

"When the \$1,300,000 was voted in June, it was ample. Since that time the war situation has increased the cost of all materials to such an extent that when the bids were received it was found impossible to equip the building as planned originally for the amount voted by the people. Therefore, the Board found it necessary to deduct from the base bids certain items and to make certain changes by way of change orders. The Board, however, is desirous of eventually completing the building as originally planned. If the Board had not signed the contracts as it did, by the time a new bond issue could be voted, prices would rise again to such an extent it would be impossible to start the work."

"It is imperative that with our growth in the south area of Freeport with five classrooms in operation this year in the old Seaman ave. building and seven contemplated next year and with the overflow group at the Archer st. school, it will be impossible to delay getting the new school started."

Mr. Giblin added that Freeport had been fortunate in that in other communities the excess of the bid prices over the appropriations had been much greater than here.

RYAN TO ADDRESS LEGION ON CIVIL DEFENSE SET-UP

Cyril O. Ryan, director of Civil Defense, will address the semi-monthly meeting of William Clinton Story Post, 1242 A.E. tomorrow evening, in the Dugout. His topic will be "Civil Defense preparation: the possible impact of an atomic explosion upon the lives of the citizens and the manner in which our organization will figure in defense preparation."

"Give to the Yank Who Gave" is the Xmas slogan. Donations may be sent to William Clinton Story Post, Freeport, N.Y.; attention of Robert F. Wille, Chairman.

Holiday Scene Made of Pop Corn

Pop Corn Is Excellent To Use In Making Holiday Decorations

Now, with Christmas almost right here with us, you'll want to plans some easy holiday decorations that give home a merry, yuletide atmosphere.

And any Christmas decoration you make with pop corn is doubly welcome, because the kiddies can help with it, too.

To make the snow scene pictured above, or one similar to it, you need only a few things. . . some kraft wrapping paper, a mirror, (or piece

of plain glass with silver foil paper placed underneath), a half-dozen meat skewers, a little glue and a few pieces of spruce. Little figures like the ones shown here can be picked up at almost any novelty or gift shop. And oh, yes, you'll need

some pop corn . . . pop corn that pops quickly, easily, without failure or disappointment. So get the kind that is sealed air-tight in an all metal can, and guaranteed to pop like Jolly Time Pop Corn, the nation's favorite. Another reason why you'll want Jolly Time is that it's so good to eat . . . for while you and the children are making this winter scene you're sure to get pop corn hungry.

First step, after assembling your materials, is to place the mirror on the table, put the kraft wrapping paper around it in the shape of the scene, and to give you the formation of the "ground on which you're going to place your pop corn snow. You can build up the hill by placing a small cardboard box, crumpled papers, or an empty baby food can under part of the kraft paper.

Next pop a fairly good sized bowl of pop corn . . . and by touching the bottom of each piece with a little glue or rubber cement (do NOT use wall paper paste or any glue or paste which contains a lot of water as the pop corn will absorb it and get soggy), you can stick it on the kraft paper. Once the paper is completely covered with pop corn you can start making the trees. Make them just like you make pop corn balls. You'll need:

- 1/3 cup white corn syrup
- 1/3 cup water
- 1/4 cup butter
- 3/4 teaspoon salt
- 3/4 teaspoon vanilla
- 3 quarts Jolly Time Popped Corn.

Put sugar, corn syrup, water, butter and salt in sauce pan and cook, stirring until sugar is dissolved. Continue cooking without stirring (270-4-500) F until syrup forms a little thick in cold water. Add vanilla and stir only enough to mix it through the hot syrup. Place Jolly Time Pop Corn in a bowl large enough for mixing. Pour the cooked syrup slowly over the popped corn and mix well.

Wet the hands slightly and start shaping the mixture into trees, using only enough pressure to make it stick together. If before you are finished, the mixture starts to get too hard to shape into trees, it can be softened by warming it in the oven.

Place the sharp point of the meat skewers into the trees for "trunks." Skewers should be colored green. Use a food coloring, in case kiddies want a tree or two to eat as a confection.

If you wish, trees can be "decorated" by arranging small pieces of colored candy on them. You may wish to lighten the "snow" effect by sprinkling regular commercial Christmas snow over the pop corn on the ground and on part of the mirror.

Entered as second class matter Oct. 26, 1948 at the Post Office, Freeport, N. Y., under the act of Mar. 3, 1879.

Pre-Holiday Illuminations Excell

Freeport Merchants are to be commended on their illuminations in the business areas for the holiday season. They excelled in brilliance and elaborateness anything in this area. Other communities just do not come anywhere near equalling them. And they are appropriate too, with a Christmas bell of lights hanging from the centre of each string of lights suspended across the streets.

It was unfortunate that the storm of Saturday, Nov. 25, damaged the wiring to such an extent that necessary repairs took several days delaying the turning on of the lights some days beyond the date originally set. However, they are on now and that is sufficient.

Though the Christmas buying has gotten off to a rather slow start, the merchants are anticipating a boom in business during the last weeks of the month. In fact this is a situation that has developed in other years so they are confident December 1950 will come close to being a record month for Freeport holiday season buying. Again we commend President Irving Grebiner and the members of the Merchants association for putting Freeport in the forefront when it comes to pre-holiday illuminations.

explosion. That will also help to keep flying glass and other things out of your eyes.

WHAT ABOUT BURNS?

Flash burns from the A-bomb's light and heat caused about 30 percent of the injuries at Hiroshima and Nagasaki. Near the center of the burst the burns are often fatal. People may be seriously burned more than a mile away, while the heat can be felt on the bare face and hands at 4 or 5 miles.

To prevent flash burns, try to find a shelter where there is a wall, a high bank or some other object between you and the bursting bomb.

You can expect that the bomber will aim for the city's biggest collection of industrial buildings.

A little bit of solid material will provide flash protection even close to the explosion. Father out, the thinnest sort of thing—even cotton cloth will often do the trick.

If you work in the open, always wear full-length, loose-fitting, light-colored clothes in time of emergency. Never go around with your sleeves rolled up. Always wear a hat—bein may save you a serious face burn.

Age of Appearance

WHEN GERMANY quit in World War II, Washington halted an army at the gates of Berlin that the Russians might march in and dominate the captured city. The American people were denied knowledge of the surrender until the Russians might sit at the surrender table, and because an American newspaper did not wait, did not participate in that appeasement of Stalin, his suffering the loss of his job, his permission to remain in Europe, and his standing as an American correspondent. The Washington government was appeasing the Communists at our expense.

Russia was permitted to take over all that was left of the German submarines, and we are now paying for that bit of appeasement. We permitted the Reds to carry away a large portion of Germany's industrial plants in the guise of reparations, and those plants, moved to Russia, are now producing munitions for the Red army. They represented a value of hundreds of millions of dollars, which the American people have largely replaced by Marshall plan payments.

Without those German industries we permitted the Reds to walk away with, Russia would have been impotent for many more years, at best, unprepared for war. At the Potsdam conference, we made appeasing statements, that Joe Stalin now interprets as he pleases, and to the advantage of Russia.

During the war, and since, we have permitted the infiltration of Russian spies, and thousands of such have taken advantage of our leniency. We have provided opportunities and places for them in industries and in our government departments in our efforts to appease the Russians.

Taking advantage of the opportunities offered, Russian spies have stolen our know-how and our industrial and scientific secrets, and are still doing so.

Throughout the period of World War II and for sometime after the fighting stopped, we provided Russia with war equipment to the extent of billions in value. Much of that equipment is today pointed toward our western European allies or is being used against American troops in Korea.

Following the advice of those favorable toward Russia, we aided and abetted by Russia, to defeat the Chinese Nationalist armies and drive them out of China. From those Chinese Communist armies, the Korean Communists, at the instigation of Russia, are drawing much of the forces that are fighting our American troops in Korea.

All that touches but a small part of our continued program of appeasement. We have been lavish in our efforts to buy off Stalin and his Communist hordes. Either by intent, or through ignorance, we have given our all, and have endangered our own and the freedom of other nations. If it was ignorance, our state department has demonstrated that it has been a poor guesser as to the purposes of Stalin, not a guesser it is safe for us to depend upon, or upon which to take more chances.

While we continue to dally and appease our American soldiers in Korea, are being maimed or killed by guns, tanks and bombs, made in America, and contributed to Russia by a magnanimous America, a magnanimity that is still unwarranted and is still unwarranted.

MAN ABOUT TOWN

By
EDDIE VASIL

BEHIND THE XMAS TREE SCENE . . . That Freeport Veteran GEORGE DE COSTA, who originally operated the Open Air Market and was known as the "Banana King", is now called the "Christmas Tree King". For approximately thirty years the C. MILTON FORMAN railroad siding at 5 Main St. has been a wonderland of beauty and aroma. Again this year George De Costa has brought car loads of beautiful Christmas trees to this location, and though he is over sixty years old, he is still one of the leading and most active importers in his field.

INSIDE WIRE . . . There is a law firm in Freeport that's gaining a reputation which is enviable in legal circles on the south shore. They have been contacted as legal contract specialists by a huge electronic plant which has its eye on Freeport. This same progressive partnership was recently awarded a fee by the Court which ran in to the high five-figure class . . . FREEPORT POLICE to hold their annual fiesta at GUY LOMBARDOS on the 25th of next month. (We're honored with an invite) . . .

FROM THE NOTEBOOK . . . BILL FREY of GUY LOMBARDOS scooped all other major nite-spots for New Year's Eve with his new planned de-luxe "package" offer of \$8 per person which includes tax,illet mignon, top band and all the extras . . . Parents enjoying themselves shopping for toys at SCHULTZ SPORTING STORE on Sunrise. Whole floor with thousands of marvelous items. Dept. is headed by JACK MULDOWNEY JR. (I saw Ian Murray's lovely Edna there too!) . . .

EDITOR'S NOTES . . . Thanks and thanks again to those who have already started making us happy with early Xmas Greetings cards. (And to BJ's for their thoughtful gifts, my sincerest appreciation) . . . Plenty of confirming reports that DOROTHY SITTNER (Allinson and Gerzoff staff charmer) is in the highest echelons of legal-eagle Girl Fridays . . . (She's as lovely as she is talented) . . . MORRIS CARLISLE of the C & R rest (Merriek Rd) has a good man in that tall handsome blonde TEX SHIFF (A real Texan too!) . . . Suave continental JOHN VICIDOMENI opened his new store on Merriek Rd. (Now operates two Village Book Shops, one right across from the other) . . . BACATELLE'S PHOTO SHOP and JAN'S JEWELRY (on the same stem) sporting brand new neon name-plates that are beauts . . .

ON A SUNDAY AFTERNOON . . . A 3:30 P.M. tip-off call from dapper TERRY JONES and his charming lady made me head for GEORGE MORRISON'S TAVERN at 16 S. End Pl. to hear one of the greatest piano artists I ever listened to. I mean TOM FLANAGAN, (brother of trucking tycoon Mattie Flanagan). He can play for hours—everything and anything from Bach to Boogie, without a sheet of music. Tom was formerly with top name bands: Dorsey, etc., and worked on the position of "Colting sentimental over you." He's toured the U.S., Europe and South America. (This million dollar talent was all for free) . . . The EDWARD HILLER JR.'s proud of their 4 month baby boy. (Mother is the former Kathy Bodell, ex-Freeport Theater staff beauty) . . . Congratulations to the CHARLES SUSSNER family. He was a grand guy beloved by all. Sorry to hear he's left us.

HAPPY NEW YEAR! . . . DAVE SHAPIRO being flooded (60 in one day) with reservations for New Year's Eve at his SHORECREST HOTEL now that he's announced \$3 per person, which will include music, favors, noisemakers and a Mid-Nite Turkey platter. (Wise folks will celebrate locally instead of going into Manhattan)

SCOOP . . . Freeport added another big name to its resident list. HARRY S. TRUBMAN bought that beautiful home at 186 Greene Ave (Stearns Park) with the BERMAN REAL ESTATE AGENCY (69 W. Sunrise) handling the deal. . . Rumors around that a recently opened chop-suey joint will fold after New Years. . . ATTY. EDDY HOROWITZ now representing a top client whose legal work is considered a prize assignment. (And why not, isn't he of the Earl Rogers calibre as a barrister?) . . .

DURYEA ORCHID CREATION . . . "Life begins at forty" is not merely a clever hypothetical dream as far as VULGE CLINTON FLINT is concerned. His philosophy of life is based on the cherished thought that life begins every day regardless of age. The Judge is an enviable symbol of this theory. He is also one of the pillars of Freeport, an ex-Mayor and an ex-Judge, who dedicated his whole life to progressive endeavor. The DURYEA ORCHID CREATION is awarded, this week, as a flowery token to MRS. CLINTON M. FLINT, first, with best wishes, though belated, for health and happiness in her marriage to the Judge, and secondly, in appreciation for her husband's service to the community of Freeport.

FREEPORTING THE NEWS . . . Congratulations to FPD LT. RAY KNIPE on his promotion last week. (It confirmed our crystal-ball-gazing ages ago. He deserves it, take he's one of the finest) . . . DINO TROMBELLAS, (His folks own the Freeport Sweet Shop next to the Freeport Theatre) will be serving Uncle Sam instead of selling insurance. Slated for Texas . . . Special thanks to MRS. THEODORE SPITZLER for being one of this column's most loyal readers. Madame, you look most charming. We noticed you at the Freeport Auxiliary to South Shore Community Hospital last week. CHARLEY MATHER plans to return to his new building on Grove near Merriek sometime in February. He's been in the bakery business all of his life and his Dad, Jacob Mather, started this well-known establishment in 1917 . . . CONGRATULATIONS to CHARLEY KAUFMAN of 17 Ray St. who celebrated his 75 birthday . . .

TIDBITS . . . Judging by the chauffeured "Caddies", Lincolns and Duesenbergs that drive up to THERESA SAMPSON'S "Salon de Corsetiere" (She's our next door neighbor at 74 N. Main St.) one can see that the elite of the Island have found the trick to maintain TV figures . . . Watch for details on Freeport's proposed new park program. (Four set up, north, east, west, and south, and they're terrific!) . . . JOHN C. PETERSON the Construction King, threw another one of his fabulous parties when they opened up Parking Field 2 in RYO last week. The top personalities of that village and Nassau County attended . . . CASPER BRUNE returned with 2 deer from his NY-PENN hunting trip.

SPECIAL OFFER: Now that my charming little KATHERINE has reached the matured age of six months, Mrs. V and I would like to give her infant furniture, bottle sterilizer, etc., etc., to someone who could put them to good use. Do you know of anyone? If not, let me know and they will be treated confidentially. Must address to: Eddie Vasil, Freeport.

Leonard Frank Slated As Freeport Y.C. Head

Leonard L. Frank is slated to be elected commodore of the Freeport Yacht Club, succeeding Michael V. Chalko, at the annual meeting to be held tomorrow night in the Shorecrest Hotel.

The rest of the ticket as prepared by the nominating committee is as follows: Fred J. Wolfgang, vice-commodore; Rollo F. Thuriow, rear-commodore; Charles J. Smith, treasurer; and James J. Harkins, secretary. Proposed for the membership committee are: Shuster D. Phipps, William W. Pelt, John H. Wertz, David Herk and Bennett Minton, Jr.

The nominating committee comprised Robert G. White, Leo H. K. Anderson, Edwin S. Crane, Mr. Pelt and John G. Ruff.

There is going to be a grabbag for the men for which each member has been requested to provide a gift. The Ladies' Auxiliary will meet at the same time and place.

Plans are underway for a New Year's Eve party to be held in the Choral House, Baldwin, Sunday night, Dec. 31.

Baha'is to Observe World Religion Day

Baha'is of Long Island will observe the second annual World Religion Day on Jan. 21. It was announced today by John B. Anderson, 147-43 41st ave., Flushing, chairman of the Regional Teaching Committee for Long Island. "The Baha'i World Faith," featured currently in "Life" magazine as a world religion," Mr. Anderson said, "emphasizes the need of our age for a universal faith raised above historic differences of race, class or creed." The purpose of World Religion Day, instituted last year by the National Baha'i Assembly, is to proclaim the Baha'i principle of spiritual unity as the path to world order and the basis for establishing universal peace.

"The Baha'i World Faith today is established in 100 countries including territories and dependencies," Mr. Anderson said, "and Baha'i literature has been translated into 63 languages and Braille. The Baha'i International Community in an accredited member of the United Nations, to which its delegates have submitted a Baha'i statement on Human Rights."

Athena Club Choral Puts On Its Annual Christmas Program

More than 100 gifts contributed by the members and 126 stuffed animals and dolls made by the Community Service Department under the chairmanship of Mrs. Robert P. Munkelt were displayed under a Christmas tree in the corridor of the Seaman ave. school at the Christmas program given by the Choral Department of the Athena Club Monday afternoon. Mrs. Robert N. Fillmore is the choral chairman. The gifts and stuffed toys are to be sent to the Save the Children Federation in Manhattan.

Miss Charlotte Bruce, of Atlanta, Ga., soprano, was the featured artist. The Choral, under the direction of Donald Comrie, gave a program of Christmas music, accompanied by Mrs. Elmer E. Garrett, which was enjoyed by the large number of guests and members present.

Tea was served following the meeting by Mrs. Adolph G. Ringer and Mrs. Branch Riskey, Jr., hospitality chairmen, and their committee, while Mrs. William M. Hanna, chairman of hostesses and her committee, greeted the women as they arrived.

Rush Yule Mail Postmaster Advises

Avoid Congestion at Last Moment, Urges Mrs. Mary E. Bannon

Postmaster Mary E. Bannon warned today that unless Christmas mailings mount sharply this week, local deliveries may not be completed before the holiday.

"The next few days are critical," she said.

"Please mail your Christmas cards as rapidly as you can get them ready. If too many people wait until the week before Christmas, we'll be hopelessly swamped."

Holiday parcel post is jamming rail facilities all over the country, with many thousands of packages heading here for local delivery the week before Christmas, the Post-

master pointed out.

"If you're still wrapping gifts parcels," the Postmaster observed, you should send them Special Handling or by Air Parcel Post to be sure of beating Santa.

Christmas cards for out-of-state delivery should be on their way by tomorrow, the Postmaster warned. Holiday greetings for local delivery should be posted at least a week before Christmas.

"Postal workers will be grateful if you'll tie your cards in bundles, with all envelopes facing the same way and the stamps in the same corner. This speeds cancellation," the Postmaster explained.

"Clear, accurate, and complete addresses will save your Christmas cards time-consuming detours. 'And if your handwriting isn't completely legible, please print,' the Postmaster added. 'Many cards must be delivered by temporary employees who lack a veteran mail carrier's patient skill in puzzling out uncertain abbreviations and penmanship.'"

You'll avoid the rush

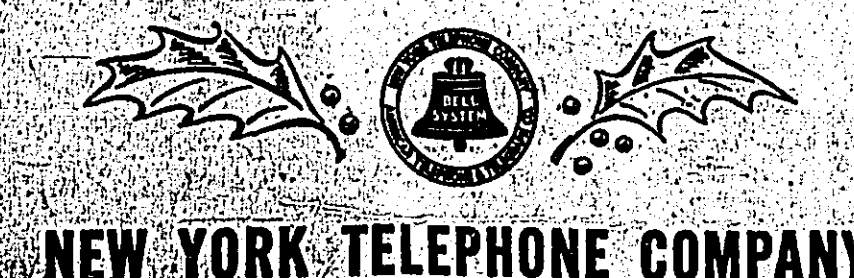

OF LONG DISTANCE CHRISTMAS CALLS . . . IF YOU CALL BEFORE CHRISTMAS DAY.

You'll get faster service, avoid delays, by placing your holiday greeting calls any evening during the week before Christmas or any time during the day on Sunday, December 24. Reduced rates are in effect all day Sunday and every evening after six o'clock, as well as on Christmas Day.

Even though every available switchboard and line will be in service, there are sure to be delays on Christmas. More calls are made that day than we can possibly handle promptly.

Here is one way you can help: if your call is delayed, please do not check the operator to ask when it will be ready. She will keep working to put it through and will call you back from time to time to tell you how it's coming along.

Thousands of telephone people will be on the job Christmas Day and will give you the best service possible. All join in wishing you a Merry Christmas.

Legion Auxiliary Plans Christmas Party

The Ladies Auxiliary of William Clinton Post, A.L., is to hold its Christmas party next Thursday night in the Dugout. A covered dish supper will be served at 7 o'clock and Santa Claus will dispense gifts from a grab bag. Plans were made at the semi-monthly meeting Thursday night, over which Mrs. Nancy Meyer, the president, presided.

Mrs. Dorothy Peace reported a paid up membership of 109 and Mrs. Juanita Benninger announced the next penny sale would be held Wednesday night Jan. 10.

Mrs. Barbara Cruger, rehabilitation and child welfare chairman, reported 10 books of fiction donated by a member and sent to the St. Albans Naval Hospital. Thanks-giving food baskets sent to St. Giles Home for Cripples and the St. Francis Cardiac Hospital and 42 gifts for the gift-shop at the Northport Veterans Hospital, totaling a value of \$30. A group of members went to Northport Monday night to serve in the gift shop.

Mrs. Emily Christ reported 44 replies received from Congressmen and U.S. Senators to letters sent them urging their support for Universal Military Training. A donation of \$10 was voted the Cancer Fellowship Fund. Mrs. Myrtle Cole reported \$25 collected from the members which she turned over to the welfare fund. Refreshments were served.

Adelphi Musical Groups Plan Christmas Concert

The first performance in America of a group of English carols by Wilfrid Mellers, one of Great Britain's leading young composers, will be at Adelphi College, Garden City, Tuesday night, when the college Glee Club and Orchestra gives an annual Christmas concert. The carols were written for women's chorus and orchestra. Proceeds from the concert, which is under direction of James Fleetwood, will be for Korean aid and for the scholarship fund.

Robert Jamieson, formerly second chair cellist of the Los Angeles Symphony, who recently was solo cellist in Robert Shaw's recording of "St. John Passion" will be the assistant soloist. He will play the solo part in "Fantasia on Christmas Carols" by Ralph Vaughan Williams. Other solos will be sung by Miss Dolores Dillon, Cedarhurst, soprano, and William Epperhart, Glen Head, bass. The A Cappella choir will sing several unusual French carols.

Undeclared Red Devils Honored By Legion On Its Football Night

The annual football night of William Clinton Post, A.L., Friday night in the Dugout proved a gala occasion celebrating as it did, the completion of an undefeated season by the Freeport High School Red Devils.

Commander Charles F. Mountcastle presided over a program in the Legion meeting room and presented miniature gold footballs to 28 members of the varsity squad and certificates to the other varsity men, junior varsity and freshmen groups numbering a total of 35.

Regret was expressed that illness kept Principal Martin M. Mansperger from attending the event. Superintendent of Schools John W. Dodd said William Ashley, head coach, was one of the best in the business since he lived football 365 days in the year. He paid tribute to the members of the team for their excellent showing. He voiced his preference for football above all other sports and added "We couldn't do what we do if we didn't have a football team."

Leo F. Giblin, president of the Board of Education, complimented Coach Ashley and the members of his staff for getting the brand of football out of the players they do. He declared it would be hard to pick out any individual player as outstanding above all others as there was glory enough for all the members of the team.

"Your team play was great," he told the squad. "The type of work you have been through will lead you on to greater victories. You have learned how to do a good job well."

Clifton B. Smith, vice-president of the Board, spoke along similar lines. Coach Ashley then took over introduced Joseph Devlin, head of the freshmen squad, Lou Franklin of the Junior Varsity and Baltis Moore. Mr. Ashley referred to football coaching as a hazardous profession, saying a little bad luck can upset a season so "you're on top one season and at the bottom of the pike the next." He attributed the successful season to the excellent leadership of Co-captains Ronald Ullip and Joseph Masone who set the standard for the team to follow. He also said Freeport had the largest and best coaching staff in the county and the support of the administration. They boys, he continued, had one of the best seasons he ever experienced and were undefeated for the first time since 1942. He referred to the remarkable performance of the Red Devils in defeating Baldwin, 47-13, and re-

marked: "It just happened and probably will never happen again."

Coach Howdy Myers of the Red Devils, who played on the 1942 team, said he and Lloyd Bunting, his assistants, Mr. Myers advised the members of the team who desired to go on with football in college, to select an institution where the coach would take an individual interest in his men and which offered a course that would equip them for earning a livelihood in a line for which they were best suited. He also advised those facing the draft, to do their best on entering college, so they would have no difficulty getting back into school at the end of their years in service. Motion picture of the Baldwin-Freeport game were shown.

Refreshments were served at the close of the formalities under the chairmanship of William V. Siegelmaier.

The players who received gold footballs were:

Vince DeSalvo, Tom Malinowski, Hank Matiere, Bob Parale, John Werman, Henry Barnhold, Dick Camillucci, Ray Cardinelli, Bernie Enckloff, Bob Greene, Mulholland and Lieutenants William George Candloris, William Kenny, Tony Lopresti, Joseph Masone, Joe Muro, John Perrotti, Norman Foster, Tony Primavera, Ronnie Reise, Marshall Rivers, Jerry Simandi, Berk Sweszy, Ron Ullip and Horace Wasmmer.

5 F.H.S. Students Seek Science Scholarships

Five Freeport High School students took the preliminary examinations Monday for the tenth annual science talent search for Westinghouse scholarships to discover and foster the education of boys and girls with skill, talent and creative originality in science. They were George Masone, Ronald Wolf, Barry Hart, Harold Morris and Lucille Herr. C. Overton Tremper was in charge.

Forty boys and girls who lead in the preliminary examinations will be given all-expenses-paid trips to Washington to attend the Science Talent Institute for five days early next spring and take the final examinations for the scholarships. One contestant will be selected by a board of judges to receive a Westinghouse grand science scholarship of \$2,800 (\$700 a year for four years). One other contestant will receive a Westinghouse grand science scholarship of \$2,000 (\$500 a year for four years). Eight more contestants will receive Westinghouse Scholarships of \$400 (\$100 a year for four years) and \$3,000 additional in Scholarships will be awarded.

As part of the preliminary examinations, each contestant had to submit a report of about 1,000 words on the subject "My Scientific Project."

Larrabee to Address Ethical Culture Group

Dr. Harold A. Larrabee, philosopher, educator, author and lecturer, will address an open meeting sponsored by the Ethical Culture Society of Long Island Sunday at 11 A.M. in the Elks Clubhouse, Fulton, ave. and Bennett st., Hempstead. His topic is "Two Ages of Anxiety—the Puritans and Ours."

Dr. Larrabee is Ichabod Spencer, professor of philosophy at Union College, where he is also chairman of the Social Studies Division.

Hose 4 Marks 39th Anniversary By Giving Dinner In Elks' Club

Hose Co. 4, with its firehouse on West Sunrise Highway, celebrated its 39th anniversary by giving a dinner Saturday night in the Elks clubhouse. Judge Hilbert E. Johnson, who has officiated as toastmaster at all the birthday observations, again served in that capacity, and introduced among the speakers Mayor Robert L. Dossie and Trustee William F. Bracken and Leonard D. Smith. The other members of the board, Seward J. Baker and Cord Vlebrock, were unable to be present.

Mayor Dossie expressed confidence in the work of the firemen, and Trustee Smith spoke especially of the wonderful work done by members of the department in evacuating the residents of the south end of the village during the record tide resulting from a gale, on Sunday, Nov. 25. Mr. Bracken said he could not say too much about the services of the Fire Department and added he was glad to be able to say it was one of the easiest departments of the village with which to get along.

James H. Crullshank, a charter member and treasurer of Hose 4 since its inception, spoke briefly while Sigfred A. Olson and E. V. Colyer, other charter members, were introduced. Remarks were made by Chief Robert N. Kinsey and his deputies, Julius C. Jacob, Jr., and John S. Marra. Captain William Mulholland and Lieutenants William Matthias and Clarence Crempel, of the celebrating company also were called on.

Edwin McKernan, chairman, Arnold S. Yonson and Peter Vorkbeck, comprised the committee of arrangements. Entertainment was provided

Fisher Body Craftsmen Speaker at H. S. Assembly

Carl W. McClellan, a representative of the Fisher Body Craftsmen, was guest at a recent assembly program presented in Freeport High School. He gave an interesting talk on the secret of designing and building model automobiles.

Each year the Fisher Body Craftsmen award eight university scholarships, with a total value of \$85,000 for the best models. This competition is open to boys, ages twelve to nineteen. The overall length of these cars is sixty and three quarter inches with a scale of one inch to a foot. The cars may be made from clay or soft or hard wood.

Mr. McClellan emphasized that the features of a car are evolutionary and must present speed and motion. A Craftsman's Manual will be sent to any boys interested in making model autos.

The assembly was concluded with a color film entitled "Frontiers of the Future."

Elks Hold Memorial For 19 Dead in Year

George I. Hall Gives Address at Rites and Stresses Friendship

Tribute was paid to 19 members who have died during the year at the annual memorial service of the Freeport Lodge of Elks held Thursday night in the lodge room. Exalted Ruler George W. Berns conducted the ritual and Edward J. Meaney, chairman of the Memorial Day Committee presided over the exercises. Secretary William J. Murphy called the role of departed brothers.

George I. Hall, past grand exalted ruler, gave the memorial address. He recalled that the rites were being conducted on the ninth anniversary of the sneak attack made by the Japanese on Pearl Harbor, Dec. 7, 1941. He next told of the welfare work done by the Elks for their fellow men and said every Elks avows the existence of a supreme God.

"Elks are never forgotten," he continued. "We recall our many friends, companions of other years who have gone from this world. True friendship for them continues for those who have gone beyond. These memories will ever be engraved on our hearts and our minds. In short all true Elks are red

Ryan At South Nassau Jamboree Reports \$500,000 In Hospital Fund

South Nassau Communities Hospital celebrated its 22nd anniversary Saturday night at the Garden City Hotel with an anniversary jamboree, attended by more than 1500 persons.

The affair was highlighted with the announcement that the hospital's \$1,250,000 expansion fund drive has climbed past the \$500,000 mark.

"This jamboree is dedicated to honoring the 5,000 volunteer workers taking part in this campaign. Those people have done a grand job for our hospital and they deserve all the honor we can pay them," Cyril C. Ryan, birthday celebration vice chairman, told the crowd.

"A yardstick of the results they have obtained," he added, "can be comprehensively outlined with these simple facts:

"We are over the half-million mark. But only about 40 percent of our prospects have been contacted.

"They have maintained the pace they set for themselves, even though a great majority had never taken part in a fund-raising project and this is the first campaign of this size to be launched in the South Shore area.

"Now we have experienced volunteers for the last 60 percent of national, special gifts and public solicitation. And we are beginning that last stretch on the fund-raising drive."

Theodore J. Bourguignon of Oceanside, general campaign chairman, reported that more than 5,000 South Shore residents are "giving of their time, energy and money to help expand South Nassau Communities Hospital from its present 98-bed capacity to 207 beds."

The jamboree crowd spread through the hotel's main ballroom, Colonial Room and Colonial, Palm Room and the Georgian Room.

Entertainment included dancing to "Victor's Music"—three orchestras and a strolling trio; Christmas carols by the South Shore Glee Club, under the direction of Carl Post; numbers by the Freeport Children's Theatre Project, bridge and canasta and an all-star variety show, headed by members of Olsen and Johnson's "Fardon My French."

Producer and master of ceremonies of the variety program was Earl P. Faber of Merrick, a veteran song, dance and joke man, "reformed to insurance promotion," as he puts it. Santa Claus, abetted by Carl Schmitt of Rockville Centre, was on hand.

The jamboree was sponsored by the official South Nassau Communities Hospital family, including the board of directors, medical and administrative staffs and 13 hospital auxiliaries from throughout the institution's South Shore service area.

Head hosts and hostesses included: Mrs. John J. Zender of Freeport, William F. Houston of Valley Stream, Mrs. W. H. Thompson of Rockville Centre, Mrs. C. D. Butt of Rockville Centre and John R. Towell of Malverne.

The program provided by the Freeport Children's Theatre Project opened with "Winter Wonderland," with Marilyn and Carol Ann Pellicio, Patricia Lowenthal, Paul Fries, Katherine Exposito, Elaine Mortimer and Gaide Miller appearing as rabbits and snowmen. Marc Fenyo as the singing waiter, sang,

Northwest Joins Commuters' Group

Acts After Hearing Bergman Speak On Nassau-Suffolk Unit

The Northwest Civic Association voted to affiliate with the Nassau-Suffolk Commuters Association after Irving T. Bergman, the chairman, had spoken at its monthly meeting Monday night in the cafeteria of the Seaman ave. school. Mr. Bergman outlined what the association had accomplished since its establishment more than three years ago, especially after the recent catastrophe on the Long Island Rail Road near Kew Gardens on Thanksgiving Eve which took the lives of 78 persons.

Mr. Bergman said the Long Island should be operated as a rapid transit line and not as a railroad because of the nature of the service it gives. Pointing out that communities are beginning to spread out along the various lines, he advocated the intermingling of a bus service to these areas to link up with the railroad with fares to be included in the cost of the communication to the various points.

The speaker said his association was awaiting the report of Gov. Dewey's fact-finding board and other groups conducting investigations into the recent wreck, before deciding on what course of action to pursue in relation to the re-organization of the Long Island.

Scanning The Sports Scene

BY DICK SCHAAF

Freeport's Red Devils' unrelenting scoring machine has accounted for the fact that they have been installed as pre-season favorites to top the S.S.A.L. Section One crowd.

DICK SCHAAF

The Red Devils are blessed with a solid starting five and a fairly strong bench. One of the Freeport faults thus far has been a tendency for a few of the key players to commit numerous fouls early in the games.

In Friday's game and Jay Schmidt, Freeport has probably the best one-two scoring punch in the country. Johnny Morgan and Dave Pearsall have aided Schmidt in controlling rebounds off both backboards. Al Scophin, up from last year's Jayvee, has also chipped in with timely baskets in the initial pair of triumphs. Dave Jones, a first team operative last year, provides the needed experience on the bench. Jones' know-how should prove valuable in the latter stages of the campaign.

In recent years, however, Freeport hoop squads have collapsed in late seasons. This deprived the Red Devils of the title in 1947-48 and the previous year. It is hoped this year Harry Ehrenhart's cage quintet will continue to display the brand of ball that they have shown thus far this year.

A rumbling has been heard from Lynbrook recently as the Owls have hopes of dethroning the touts. Long Beach hoopers, Lynbrook has reached great heights in bumping off a pair of highly-regarded squads, Mephram and Baldwin. The Owls boast two standouts in Richie Reinhard and Bob Dellaro. Reinhard, a 6-4 sophomore, dunked 24 markers against the Golden Wave. However, Reinhard, despite his sophomore standing, is 17 years old. No doubt, he has the brains.

Baldwin has produced a prolific marksmen in speedster Denny Miller. The junior set shot artist looks like one of the better players in the county this year. The Golden Wave center, Bill O'Brien, has not been living up to expectations.

Tomorrow night, the scintillating Freeport five meets Glen Cove on the Freeport hardwood. Glen Cove is an unknown quantity but has been crystal-balled as one of the North Shore powerhouses. The Red Devils' first real test may come Wednesday when they match buckets with Oyster Bay. The Baymen consistently turn out a swift-moving contingent employing the full-court press and the fast break to good advantage.

Freeport television basketball followers received a treat Tuesday night when Bill Dodd, the Red Devils' record-breaking pivot man of two years back, performed at Madison Square Garden with the Red-Raiders of Colgate against the Violet of N. Y. U. Dodd is touted as a brilliant prospect, possibly as good as Oceanside's Ernie Vandeweghe, who holds all Colgate scoring records and now is a member of the New York Knicks. Dodd meshed more than 60 tallies in the first four Colgate encounters.

Another former Freeport flash who is complimenting his laurels in collegiate play is diminutive Leon Hong, now captain of the Massachusetts Institute of Technology quintet. Hong, who stands a mere 5-4, makes fools out of his taller rivals by stealing the ball out of their hands. His flashy ballhandling and playmaking are also an integral part of the M. I. T. attack.

The Freeport Police Boys' Club, under the direction of Patrolman Joe Rameika, is forming a basketball league of teams in Freeport. All teams interested should contact me at Fr. 8-9773.

Clark I. Scott's Father Dies in Sioux City, Ia.

Mr. and Mrs. Clark I. Scott, who are now living in Southbury, Conn., have advised friends here of the death of Mr. Clark's father, John Scott, Jr., in Sioux City, Ia., on Dec. 1, at the age of 81. His death came suddenly of a heart attack, and followed that of his wife last April 5.

Mr. Scott founded the Morning-side State Bank of Sioux City in 1912 and had been president of the bank ever since. Prior to that, he headed the Northwest National Bank of the same city. He was born near Argyle, N.Y., July 9, 1864. When he was a child his family moved to Marengo, Ia. He was a member of numerous organizations in his city and had served as president of the board of education. He leaves two sons, Clark I., and Dr. George W., of Tishomingo, Okla.

Gulls Hold the Lead In Archer Dads League

The Hawks held their two-point lead over the Crows in the Archer Dads Bowling League Thursday night by sweeping a series with the Owls while the Bluebirds were giving the Falcons the same treatment. The Gulls trimmed the Eagles, 3 to 2.

ratin power, though a Diesel engine installed last year was expected to meet the demands for current until 1952.

Demands in Power Plant

He told of the voting of a bond issue of \$500,000 for a new engine and a switchboard, but added that nothing would be done until the board had received the report of a concern of consulting engineers in Kansas City on a survey that is being made. He added the company was retained on a fee of \$3,500 to make a preliminary survey but that it probably would be permitted to complete the task. He said this was because the board wanted to be sure it was getting the most for its money when it acted and pointed out that several suggestions had been made, including the removal of the power plant to the water front.

Mayor Dossee said that while he did not approve of municipal ownership, the Village light and power plant was a big asset. He told of the free services it provides, of the fact it pays the equal of any service corporation in taxes and makes possible facilities that would not be possible to carry on but for the revenue from the plant. He expressed the hope the day would never come when the plant would be sold to private interests.

The Mayor commended the members of the Park Commission, the Water Department, the Planning Board, the Sewer Commission and the Board of Health for their assistance in making his administration a success.

On motion of Mr. Ryan, the group adopted a vote of confidence in the administration.

Judge Hilbert R. Johnson, whose successor will be elected in March spoke briefly.

President Newton appointed a committee comprising Mrs. Lester Danley, Mr. Ryan and Judge Johnson to arrange for the meeting in January and a nominating committee comprising Robert B. Peterson, F. Gordon Edwards, Village Council Martain H. Wayrauch, Chester A. Fulton and Peter Kelly.

PRIMITIVE MEXICAN LIFE FILM TO BE SHOWN BAPTISTS

A Moody Institute of Science sound-color film, "To Every Creature," will be shown at the First Baptist Church next Wednesday night. The film portrays the primitive life led in Chalpas, southernmost state of Mexico, and monkey eating, a startling sequence. The "movie" was produced by Dr. Irwin A. Moon.

The Men's Club of the church will have its annual spaghetti dinner tomorrow night in Fellowship House. Joe Grosso, as usual, will be chief chef.

Towns Teens

By FRANCES PRATT

Christmas is just around the corner and if you don't believe me—just glance around the village. The yule decorations look especially nice this year and all the stores are decked out in their Christmas finery. I wonder if Santa has seen these shops. They look that are being featured for the fellows this year—they come in dreamy new colors and can be seen a block away... and for the gals how 'bout the nylon stockings with the clocks or the fancy heels... speaking of nylon how about a sheer nylon blouse to wear under that all important suit. Here's hoping that Santa will bring all the Town's Teens exactly what they want this year.

Don't forget the D. G. E. annual Christmas formal on Saturday, December 23 at the South Shore Yacht Club. A large group of F. H. S. students is working this season. Joan Risley, Ann Foster and Roger Sanders are holding down the fort at a Hempstead department store, Laura Jean Vought spends her spare time at a baby store there. Cynthia Nixon can be found behind the hankiechief counter with F. H. S. gals—Pete Loonan is working at Schulz Sporting store... Look for Larry Bretschneider at a new clothing store and Wayne Marshall at Irvings... Lynn Morris is working at Estees, Eileen West at Barasch's and John Swisher at The Jamaica Tire Store... Plus numerous other F. H. S. Students working around town.

The basketball season is well under way and it looks like 1950 will be a good year for basketball at good old Freeport High... The Annual Fall Sports award assembly is this week—the time to honor our sensational football team and Coach Ashley. Well as I have run out of time and thoughts—I'd better sign off—Watch for Flashing Yule issue to be distributed tomorrow.

Bickmore on Dean's List At Cincinnati University

Theodore Bickmore, a 1947 graduate of Freeport High School, has made the Dean's List at the College of Business Administration in the University of Cincinnati. The Dean's list is made up of students who are in the highest ten percent of their class on the basis of scholarship attainment.

Bickmore, recently transferred to Wharton School at the University of Pennsylvania, was on the honor list throughout his three years at the University of Cincinnati. Last year, a dinner was given by the school in his honor because he had achieved the highest scholastic rating of any member of his class. In high school, Bickmore was a member of the National Honor Society and a letterman on the track team. Bickmore is now majoring in finance and expects to continue in that field.

Reserve. Candidates without prior military service must be high school graduates.

Since the outbreak of hostilities in Korea many of the women in the Freeport battalion who saw service in World War II have been recalled to active duty. This leaves a number of vacancies which must be filled if the organization is to continue to function as a well balanced unit.

The Freeport Naval Reserve Unit has been given a substantial increase in the number of women reservists who may be associated in a paid status.

The pay of a recruit is \$2.50 a night (2 1/2 hours) and after a short period of training will be increased. The Navy Department loans each new recruit a complete wardrobe of uniforms.

For each drill attended women reservists earn a point toward Naval Reserve Retirement.

Women interested in becoming associated with the Freeport Naval Reserve Unit should report to the U.S. Naval Reserve Training Center on 112 Hanse ave. any Tuesday or Wednesday between 7:45 and 10:00 P.M.

Howell Sees Moscow as Place To Drop Atom Bombs On

Sometime the United States will become aroused, get scared and drop its entire stockpile of Atom bombs on the place where they will do the most good—Moscow—Surrogate Leone D. Howell

predicted in a talk to the members of the Rotary Club Thursday night in the Elks clubhouse. Judge Howell said everyone realized Russia, and Russia alone, was behind the launching of the attacks in Korea and the present actions of the Chinese Communists in Korea and should act accordingly.

The surrogate, introduced by C. Oliver Moore, told of the secret plans hatched at Casablanca, Yalta and Potsdam by Roosevelt and Truman and demanded that no such agreements be made at the conference with Prime Minister Attlee of Great Britain just closed. He added Congress should let the president know it wants no secret agreements and insist that everything done between the President and the Prime Minister be open and above board.

"For 18 years Congress has been delegating its powers to the President of the United States," Judge

Howell added. "We ought to stop that business and return to a balanced Government."

Remarking that President Roosevelt, with Alger Hiss at his side, and Ill. gave away Manchuria and China, he asked "Who is in control of the United States?" and answered his question with "Stalin."

"Good old Joe," as President Truman once called him. When the United States says it doesn't want anything, "we mean it," Judge Howell said, "but with the others it is different. They want all they can get and Uncle Sam is playing second fiddle to the whole gang." He accused England of sending material to Russia and other Communistally controlled country and said it should be asked "Do you consider you are an ally of the United States?" "France," he continued, "should be

asked when it is going to raise an army to use the supplies we are sending her. Are you going to leave this until Russia begins to fight and pick up then? Do you want our aid or do you want us to do it all?"

"If you have 53 nations who are our allies, stop all shipments to Russia, shut off her supplies and she'll soon be on her knees begging for peace," he remarked.

The judge assailed the statement that the United States will not use an atom bomb until one has been dropped on U.S. soil. Referring to the fact Russian ships come to American ports, Judge Howell declared that "If we had the stability of our forefathers, our ships would never let them leave while we are begging her to return vessels we let her have under lease during the war." Then going into the statistical figures of the national debt he asked "Have we gone off our base entirely?"

Cost Accountants Plan Election on Jan. 9th

Officers of the recently organized Long Island Chapter, National Association of Cost Accountants, will be elected at a charter meeting to be held in the Garden City Hotel, Garden City, on Jan. 9. A nominating committee was named at the organization meeting at which 168 men filed applications and petitions for charter membership.

The dinner which preceded the meeting was attended by 150 interested in industrial accounting. Approximately two hundred attended the meeting, which was called to order by Acting Chairman, Harold Nohe of Garden City. Members of the National Association and Brooklyn and New York chapters present, included Mr. Nohe and Marshal Granger, national vice presidents; Arthur Gunnerson, national secretary; Dr. Ray Marple, national assistant secretary; President Herbert Johnson of the Brooklyn chapter; President Michael Odermatt of the New York chapter, and past President C. D. Marshall of the New York chapter; L. T. Whitmore, secretary of the Long Island Association; Harry Gruber and John Sonnichsen of the New York chapter. The nominating committee comprises William Donaldson, H. C. Pillman and George Bauer.

Firemen Give A Christmas Party For Their 400 Sons And Daughters

Close to 400 youngsters, sons and daughters of the members of the Freeport Fire Department, were made happy at a Christmas party given them Sunday afternoon in headquarters on North Main st. They were greeted by Mayor Robert L. Dorse, Trustee

Northeast Civics Backs L.I. Fact Board

The Northeast Civic Association at its monthly meeting, Friday night in the home of Harry J. Berkowitz, 215 North Ocean ave., approved the appointment of a three-man fact finding committee to prepare a plan for the operation of the Long Island Rail Road. It was voted to write Gov. Thomas E. Dewey and County Executive J. Russel Sprague requesting a copy of the report just as soon as it reaches its findings. President Arthur Muller presided.

Arthur Scheer reported on the bids received by the Board of Education for the new Bayview ave. school and William E. Grevolserat reported progress on plans for the park and playground to serve the northeast section of the village.

by Mayor Robert L. Dorse, Trustee Cord Vichrock and the Rev. R. G. Harris, who were introduced by Deputy Chief, John S. Marra, chairman of the committee in charge of the party.

The event was opened with a program put on by the entertainment group of the Freeport Police Boys' Club under the direction of Patrolman Joseph Romeka. Then came the refreshments, ice cream, cookies and soda, served in abundant quantities to all the youngsters, while the adults had coffee, cider and doughnuts.

Santa Claus in the persons of Past Chief Edward Andrews, arrived a little later with presents galore for every child in the house from a large Christmas tree. Each one received a toy or other gift and there were oranges and candy in abundance. A dozen lucky children received miniature light houses made by Past Chief Julius C. Jacob sr. They were electrified so the light could be turned to illuminate the rooms of the recipients.

Chief Robert N. Kinsey headed the committee of arrangements as honorary chairman, which Deputy Julius C. Jacob, Jr., Assistant Chairman Marra were James Ryder, Hose 1, co-chairman; Franklin Grempe, in charge of tickets, assisted by Eugene Husley, Jr., Robert Graupner, treasurer; Paul Falcone, secretary; Kneeland Verity, business district chairman; Arthur Iavovino, toys chairman, and six representatives of each of the companies in the department.

Funds to finance the event were contributed individually by all the firemen in the village.

Medical Society Dines Members of the Press

Members of the newspaper profession in Nassau County were the guests of the Nassau County Medical Society at a luncheon in Felle's Restaurant, Westbury, Monday afternoon. The event was given in appreciation of the co-operation of the press in publicizing the various activities of the association. These included the Diabetes Detection drive held last September, the formation of the medical committee and the voluntary health insurance committee, and the plans for round the clock medical care, as well as the Mental Health Clinic at the Meadowbrook Hospital.

Dr. Walter Cund, chairman of the Public Relations Department, welcomed the guests and Dr. Gerard V. Farinola, of Roosevelt, president of the Nassau County Chapter, American Academy of General Practice, was toastmaster.

Merrill E. Eisenbud, director of health and safety, New York Office of the Atomic Energy Commission, gave the address. He considered the effects of radiation on possible atom bomb victims.

Cannon Pharmacy Offers New Scientific Gadgets

At the Cannon Pharmacy, 6 South Main street, one can find some examples of scientific ingenuity. For instance there is a portable sterilizer which fits into the palm of one's hand. This is a boon to sufferers of diabetes. With this portable sterilizer a diabetic may travel anywhere and still know he can sterilize his hypodermic syringe and needle for his daily injection of life-saving insulin merely by putting some water into the sterilizer and plugging it into the nearest electric outlet.

To make life more comfortable for those hard of hearing, the Cannon Pharmacy has midjet batteries which power a hearing aid. For example, an A battery is only half an inch wide and half an inch high. The accompanying B battery is half an inch wide by one and a quarter inches high. Yet these miniature batteries furnish all the power necessary to give one an ability to hear and use a light weight instrument in comfort.

PUBLIC NOTICE

ORDINANCE 172

RESOLVED, that the Board of Trustees of the Incorporated Village of Freeport, Nassau County, New York, by virtue of the authority in it by law vested, after a public hearing duly held on 28th day of November 1950, in accordance with the Village Law, does enact and ordain the following Ordinance:

ORDINANCE NO. 172

Amendment to Zoning Ordinance No. 123 Establishing Zoning Ordinance for the Village of Freeport, Nassau County, New York, known as Freeport Bay Estates.

By virtue of the Law of the State of New York and the Zoning Ordinance of the Village of Freeport, it is hereby ordered by the Board of Trustees of the Village of Freeport at meeting duly held on December 4th, 1950 and in conformity with resolution introduced by Trustee Smith, seconded by Trustee Baker, that the following be adopted:

Section 1. The following be adopted: Residence "A" Zone, described as follows: This area includes all the properties in the Bay Estates lying south and east of the present Village line to a line forming the southerly boundary of the tract, which said line is midway between Fourth and Fifth Streets, running both westerly and easterly from South Main Street and connecting Hudson Channel on the west with Denton's Pond Creek on the east, more particularly described as follows:

BEGINNING at a point One Hundred Forty Feet from the southerly line of East Bedell Street and distant One Hundred Twenty-five Feet (125') southerly from the southerly line of East Third Street; thence running northerly and parallel with South Main Street in a straight line, to a point One Hundred Feet (100') north of the northerly line of East Bedell Street; thence running easterly and parallel with the northerly line of East Bedell Street to the center of Freeport Creek; thence running southeasterly and along the center line of Denton's Pond Creek; thence running southerly and parallel with the center line of Denton's Pond Creek to a point in a line which would be midway between East Fourth and East Fifth Streets; thence running westerly, parallel with Fourth Street, across South Main St. and continuing in a straight line to a point in the center line of Hudson Channel; thence running northerly and along the center line of Hudson Channel to a point midway between West Third and West Fourth Streets; thence running easterly and parallel with West Third and West Fourth Streets to a point One Hundred Forty Feet (140') easterly from the easterly line of South Main Street, the point or place of beginning, excepting therefrom the following described areas to be zoned "Business A":

Business "A" Zone, described as follows: All that property fronting the southerly side of East Bedell Street as shown on the sub-division map of Freeport Bay Estates, Section 3 and indicated in the County lot and block system as Lots No. 83 to No. 105, inclusive, Block 69, Section 32, the westerly line of said properties being Nine Hundred Ninety-Four and Ninety Eight One Hundredth Linear Feet (99,481') east of the easterly line of South Main Street and extending easterly Four Hundred Eighty Feet (480') to Denton's Pond Creek; Also a corresponding area on the northerly side of East Bedell Street for a depth of One Hundred Feet (100') northerly from the northerly line of East Bedell Street, including Lots No. 65 to No. 82, as shown on the sub-division map of Freeport Bay Estates and in Block 68, Section 32 in the County lot and block system, located along the northerly side of East Bedell Street between the easterly line of "B" Street to the Freeport Creek, a frontage of Four Hundred Sixty-Six and Thirty One Hundredths Linear Feet (466.30').

FURTHER RESOLVED, that the foregoing ordinance shall be entered in the minutes of the Board of Trustees of the Incorporated Village of Freeport, Nassau County, New York, and published in the official paper of the Village and a printed copy thereof posted conspicuously in at least three public places in the Incorporated Village of Freeport, Nassau County, New York, for at least ten days before the same shall take effect.

ORDINANCE 173

RESOLVED, that the Board of Trustees of the Incorporated Village of Freeport, Nassau County, New York, by virtue of the authority in it by law vested, after a public hearing duly held on 28th day of November 1950, in accordance with the Village Law, does enact and ordain the following Ordinance:

ORDINANCE NO. 173

Amendment to Zoning Ordinance No. 123 Rezonning of north side of Bedell Street from South Main Street to Hudson Channel, Nassau County, New York, known as Freeport Bay Estates.

By taking out of the boundaries of the "Manufacturing" district of the Business "A" district the lands and buildings which are shown and indicated on said map as within the boundaries of Business "A", described as follows:

All that property located on the northeasterly corner of South Main Street and East Bedell Street, including Lots No. 1 to No. 11, inclusive, as shown on the sub-division map of Freeport Bay Estates, Section 3 and indicated in the County lot and block system as Lots No. 1 to No. 11, inclusive, Block 45, Section 32, and bounded as follows:

One Hundred Two and Five One Hundredths Linear Feet (102.05') extending along the easterly line of South Main Street when measured northerly from the northerly line of East Bedell Street; thence running northeasterly, a distance of Two Hundred Seven and Twenty-Seven One Hundredths Linear Feet (207.27') to an angle point in the rear line of Lot No. 11; thence running southeasterly to the easterly line of Lot No. 11; thence running southerly along the division line between Lots No. 11 and No. 12 to the northerly line of East Bedell Street; thence running westerly along the northerly line of East Bedell Street to a point in the easterly line of South Main Street, the point or place of beginning.

FURTHER RESOLVED, that the foregoing ordinance shall be entered in the minutes of the Board of Trustees of the Incorporated Village of Freeport, Nassau County, New York, and published in the official paper of the Village and a printed copy thereof posted conspicuously in at least three public places in the Incorporated Village of Freeport, Nassau County, New York, for at least ten days before the same shall take effect.

Three Freeport Youths Enlist in U.S. Marines

Three Freeport youths who recently enlisted in the U.S. Marine Corps, for a period of three years are now undergoing training at the Parris Island, S.C. recruit depot. They are Richard Hull, 19, son of Mr. and Mrs. Washington Hull, 878 South Long Beach ave., who enlisted on Dec. 5; Albert Nicholas, 20, son of Mr. and Mrs. Pasquale Nicolino, 84 Stevens st., and John Francis North, 20, son of Mrs. May J. North, 85 Evans ave., both of whom joined the Marines on Dec. 8.

At the end of "boot" camp, each will be assigned to one of the Marines' land, sea, or air units for duty and additional training, or sent to school.

Private Hull was graduate from Darien High School, Darien, Conn., in 1948. While in attendance there he earned letters in football and baseball. He also attended the University of Virginia, Charlottesville, Va., for one year. Nicolino and North were graduated from Freeport High in 1949.

Is the usefulness of timing your affairs by planetary cycles still AN UNKNOWN QUANTITY to you?

No other information or news-letter service can come any where near the value of having the clear cut accurate reports to guide your future decision-making which can be found in an astrologer's report prepared especially for you.

Data used is your birth day, hour, city and year. The planetary positions of that moment are compared with those of the present time—the exact time of opening your letter in case you ask a specific question.

These planetary influences of your own are considered in relation to the long term general cycles which are used for stock market prediction or prediction of wide trends in economics or war.

It is a matter of professional pride among astrologers not to bicker or quibble or give a personal report contingent upon your report. You can depend on your report regardless of what headlines the papers may have next week or next month or next year.

\$12.00 for your personal report. \$2.00 for each specific question asked.
